I am pleased to learn that a Special Collectors Issue is being published to commemorate the Golden Jubilee year of the '***The Chanakya Aerospace Defence & Maritime Review***'.

Chanakya has created a niche for itself on matters related to aviation, defence, space and maritime security. It has been providing well researched articles, global equipment updates and technical analysis for Indian Defence Forces and Industry. It is commendable that *Chanakya* has an international circulation and has been the official media partner of major global defence events.

I convey my compliments to the Publisher and Editorial Board of *Chanakya* and wish them success in their future endeavours.
